

No Travel - No Cost

***No Reason to Miss a Single Stimulating Session***

Due to COVID-19, the USPS District 5 (D5) Fall Educational Conference scheduled for November 4-7 in Gettysburg PA is being transformed into a series of free online sessions.

We will miss seeing you in person. Bummer! But by going virtual we have no restrictions on meeting space or hotel capacity. There will be fewer conflicts among session schedules. And there's no travel overhead or cost to attend. Members who attend our seminars, working meetings, and town hall sessions can participate from their comfortable homes.

Most of the November 4-7 virtual sessions may be accessed from your connected device using FreeConferenceCall.com (FCC). Two FCC Meeting IDs: "D5ODDHR" & "D5EvenHr". A full overview of FreeConferenceCall.com tools is available [here](#). Click [here](#) for the full schedule and click [here](#) for more info on using FCC.
